# Переход на сайт moodlecloud.com

The screenshot shows the top portion of the MoodleCloud website. At the top is a navigation bar with the MoodleCloud logo on the left, followed by links for 'Features', 'Pricing', and 'Support'. On the right side of the navigation bar are two orange buttons: 'Login' and 'Sign up', separated by the word 'or'. Below the navigation bar is a large hero section with a background image of a cloudy sky. The hero section contains the following text:

### Success!

Before you head over to your shiny new Moodle site at [herzen.moodlecloud.com](https://herzen.moodlecloud.com), we'd like to let you know some important details.

STEP 1

STEP 2

STEP 3

STEP 4

STEP 5

#### Portal

In your [MoodleCloud portal](#) you can check your current packages and payments, billing information and more. To login to the portal, your **username** is your site URL, and your **password** is your Moodle admin password. The portal is accessible from your MoodleCloud site or [moodlecloud.com](https://moodlecloud.com).

#### Support

MoodleCloud hosting is inexpensive because we don't include a lot of support. See our [FAQ](#) for some answers to frequently-asked questions you may have, or [Moodle Docs](#) for deeper information about using Moodle.

If you need further help we suggest you talk with one of our expert Moodle Partners. They offer a range of services such as training and theme customisation. When you're ready to really turbocharge your Moodle experience they can move your MoodleCloud site onto their own hosting with more space, customisation and other features.

Based on the information you've given us, we have matched you to this Moodle Partner:

**Open Technology Ltd. (ООО "Открытые технологии")**  
117303, Москва, а/я 33 Россия, Москва, ул. Малая Юшуньская, дом 1, стр. 1, офис 1609  
You can contact your Partner via the [Support tab in your Portal](#).

Thanks, take me to my Moodle site now!
